

JOINT STATEMENT
ON THE CONSOLIDATION OF ASPIRATIONS IN EUROPEAN INTEGRATION
SPHERE OF HEALTH CARE OF UKRAINE

Kyiv, October 16, 2024

Taking into account the approval in principle of the negotiating framework for Ukraine's accession to the European Union and recognizing Ukraine's unchanged European integration course,

acknowledging the **decisive need to unite the efforts of all parties for the effective conduct of negotiations regarding Ukraine's accession to the European Union**, officially launched on June 25, 2024,

honoring the heroism and invaluable contribution of the Defenders of Ukraine, medical workers in ensuring the national security and independence of Ukraine, the protection of the state from the military armed aggression of the Russian Federation against Ukraine and aiming to provide high-quality, accessible and appropriate medical care to the military and civilian population,

recognizing the principles of sovereignty and territorial integrity, inviolability of borders and independence,

sharing the joint values of the European Union, namely respect for human dignity, freedom, democracy, equality, the rule of law and respect for human rights, including the rights of persons belonging to minorities,

in view of Ukraine's commitment to the EU membership course and the need to fulfill all the necessary obligations on this path,

aware of the leading role, importance and need to ensure European standards in the field of health care of Ukraine, including in the pharmaceutical industry,

supporting the European integration reforms of Ukraine in the field of health care and confirming obligations in the implementation of the EU acquis,

recognizing that Ukraine's political association and economic integration with the European Union depends on progress in implementation, as well as Ukraine's achievements in ensuring respect for common values and progress in rapprochement with the EU,

for the purpose of consolidation of efforts and aspirations in achieving joint objectives and supporting European integration reforms that will ensure the availability, quality and efficiency of medical services, medicines, medical devices and other aspects of the health care sector,

declare and reaffirm our readiness to cooperate to achieve joint objectives.

Joint objectives are:

1. Improving the quality of medical services through **implementation of advanced European practices and standards.**
2. The development of digitalisation, innovative technologies and scientific research in the field of health care by **systematic exchange of knowledge and experience** between Ukraine and the EU.
3. Provision of affordable, high-quality and safe medicines, medical devices and other medical products **in accordance with European standards.**
4. Development and modernization of medical and pharmaceutical infrastructure in compliance with the requirements of European legislation.
5. Continuous development of medical workers and pharmacists in the European integration vector.
6. Compliance with the rights of patients, respectively to **European norms and standards**, guaranteeing their safety and meeting the needs of medical care.
7. **To ensure Ukrainian legislation in line with European Union standards in the field of health care** on the basis of gradual adaptation of the Ukrainian market to new requirements and regulations.
8. Creating favorable conditions for Ukrainian and European markets integration.
9. **Improving the business climate, the level of** competitiveness, carrying out deregulation, fighting corruption, ensuring equality, transparency and unity in joint actions, taking all measures to achieve the defined goal and objectives.
10. **Adherence to all EU values and principles defined in** the Treaty establishing the European Community.

This Joint statement is open for signature by all interested parties who share the values of cooperation in the field of European integration and declare their intention to contribute to the achievement of the common goals of this Joint statement.

To join the Joint statement, the parties apply with an official letter to the address of the Ministry of Health of Ukraine.
